Registered Professional Engineer's Certification

Dear Mr. Harris:

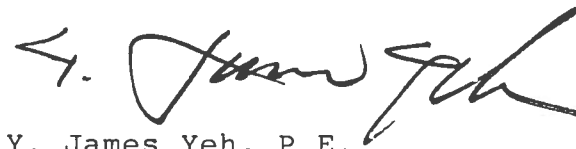

This is to certify that we have reviewed the approved Site Safety Plan and Closure Report prepared by Geo Environmental Services, Inc. for the above referenced project.

This is also to certify that we conducted on-site observation during the underground storage tank removal and that full closure is complete. All procedures undertaken were in accordance with state and federal hazardous waste regulations.

This is also to certify that we conducted on-site observation during the installation of the new oil/water separator which was installed per MDC and manufacturer specifications.
